

## From the Rabbi's Desk

*By Rabbi Arthur Rutberg*

This is a time of new beginnings. A time filled with optimism, hope and excitement. The beginning of a new Jewish year, the beginning of a new religious school year and the beginning of a new relationship between rabbi and congregation; a sacred partnership.

Our rabbis have taught us that beginnings are difficult. While that is often true, they are also filled with great promise. I look forward to the challenges ahead, the chance to get to know all of the Temple Bat Yam family and the opportunity to

build the best possible congregation, but it cannot be done by only one person, not even one rabbi. It will take the enthusiastic involvement of all members of Temple Bat Yam, friends and family alike.

In the Midrash on the book of Exodus known as the Mekhilta we learn about Nachshon, the leader of the tribe of Judah, taking that first uncertain and potentially dangerous step into the churning water of the Sea of Reeds. But the sea did not split; the dry land did not emerge from beneath the waters until the other members of the tribe of Judah as well as those from the other tribes of Israel joined with him and crossed the Red Sea. Nachshon's one small step for a person did not become a giant leap for the

Jewish people without the support and participation of all the people of Israel.

As of this writing, I have been serving Temple Bat Yam as your rabbi for a brief two weeks, our journey has only just begun, and our path through the wilderness has barely started. I anticipate great things but I am firmly convinced that they will only come to pass if we take the path, walk the walk together and see where it leads us. Our rabbis may be right that the start of any journey is difficult but it does not need to be. I invite the entire Temple Bat Yam family to join me on this journey to a future filled with promise and the possibility of an even better congregation and greater Jewish community.

Ken y'hee ratson - May it be God's will that as we set out on this journey we shall explore, discover and learn as we pray together, eat together, and live together; sharing our stories, our values and the sacred truths of our hearts and minds for the sake of the betterment of our congregation, our community and our world.

L'shalom,

Rabbi Arthur Rutberg

## Elements of a Successful Temple

So, I've been thinking about what would make Temple Bat Yam or any temple successful and I came up with several elements.

First, we need a rabbi to lead us spiritually, a person that is knowledgeable, approachable and will listen, a person that has a cool wife! (Did I say that?) Check! We have such a rabbi and if you haven't been to our recent services you haven't experienced how he makes the Torah portions come alive through his story telling skills. Welcome to Rabbi and Sara Rutberg.

Next element, an awesome building. No, it's not perfect but what makes it so awesome is the friendship and love I witness there. I truly feel the temple is my second home (the best part is I don't have to clean it....well, sometimes). Check!

The third element is the one that causes me the most work! The Executive Board and Trustees. We have a terrific Board that is very involved in the business of running the Temple. There are times when I don't feel I should make an independent decision on an issue. So, I send out an email to the Executive Board with the conundrum (like that word!). By the end of the day there are opinions sent out to all of us. And you know what, we are always in agreement. We are fortunate to have such a group of smart, dedicated and experienced people on the Executive Board. Check, a great Board!

There's more and this is a biggy. And that's the volunteers. Our General Board consists of representatives for the Sisterhood, Men's Club, Safety and Security, and the Judaica shop and some serve in more than one capacity (I hope I didn't miss anyone). We can have all of the other elements listed above but without volunteers we would be dull, dull, dull. Probably membership would dwindle. That brings me to membership. Recruiting people to join the Temple is the responsibility of us all. This is a true story and just happened at our service last night (7/16/21). Mrs. Rutberg told me we had visitors at the service. I hadn't noticed them so I walked over and introduced myself to the couple. It seems the man came to our service several years ago and said not one person spoke to him! Hmm...not good. The woman said he came to the service only because she insisted. We chatted for a while and they said they would be back and he is very interested in working on membership. Good Stuff!

Membership (new members and retaining members) is just one area where we need volunteers. The Library is now being manned by Judy and Bill Johnstone and they sure could use help. The Sisterhood and Men's Club are always looking for volunteers. The Sisterhood has a list for us ladies (and gents, if they care to) to sign up to sponsor an Oneg. Contact Anita Winkler and sponsor an Oneg to celebrate a special mark in your life...a special birthday or anniversary, to thank a person for their service, the birth of a grandchild or great-grandchild (oy vey). You get the idea. We all enjoy the events that are offered to us but we need more volunteers to keep us fresh, to offer new ideas. Ideas are great and we need volunteers to help implement them.

There are many ways to volunteer, I only stated a few. So, please consider contacting the head of the area you would like to work in or contact me.

In looking back over the elements of a successful temple I see we are in great shape, not perfect but getting there with the help of all of you, our greatest asset.

Be well and stay cool (we know you are cool, I mean the other cool).

## Note From the Editor

It's really good to know that things are getting back to "normal".

One indication of this is a newsletter that is, once again, filled with lots of details and activities. Please continue to submit your contributions and photos so we can all keep up to date and share information.

Thanks to Tim Rucinski who has quickly learned how to put everything in newsletter form so it can be distributed to TBY members; and once again, thanks to Barbara Patrick for her many years of hard work doing same. We are grateful for her guidance.

# Men's Club

The Sidney Eagle Memorial Mens Club of Temple Bat Yam is excited to come out of a very inactive and dark year with a lot of plans to continue our support of the Bat Yam family and to continue our social and education events which will be implemented in the rest of this year.

Who doesn't like Pizza and Baseball! We will meet at a pizza place and then go to see a Delmarva game on Saturday, August 21st. FIREWORKS ARE SCHEDULED. RSVP to Steve Winkler.

The Men's Club is also sponsoring a luncheon and Sukkot building party after Yom Kippur. Additional details will follow.

# Sisterhood Report

The Sisterhood has been hard at work making up for lost time during the last year.

We have started Onegs. Please volunteer for a Friday if you can. A volunteer schedule and sign-up sheet was sent by email to all Sisterhood members.

The High Holidays will be here soon and we are accepting your Greetings. Please see the attached flyer for details. As she has done for so many years, Rina Thaler has agreed to contribute an original artwork for this fundraising project, and those members who purchase a Greeting will receive the artwork. The Greetings will be emailed to the entire congregation. Help Sisterhood raise needed funds that we contribute to support our Temple!

Something new for us will be taking all of our time; a pet calendar. Sisterhood is on the hunt for the most adorable pets of TBY! Would you like to see your pet featured in the "Pets of the Month" calendar? If so, get your photos to Anita Winkler no later than August 30<sup>th</sup>. Please see the flyer on page 7 for all the details. Thank you for the great pictures we are getting.

We're also looking forward to a pottery class and a game day.

Thank you in advance for all your hard work.

# Report of Planned Giving Committee

## **Our Heritage Society is Waiting to Hear from You**

The Temple Bat Yam Heritage Society encourages congregants to include our Temple in their estate plans. Showing appreciation and recognition to those who do so.

We all make decisions during our life that reflect our values. Making a legacy gift by including Temple Bat Yam in your estate plan is a powerful way to put your values into action beyond your lifetime. Doing so helps ensure the vitality of TBY into the future and perpetuates its distinguished service to the community and to the Jewish people.

Temple Bat Yam has been the center of Jewish life in this part of Delmarva, providing a sustaining source from which individuals and families - young and old - can nourish their spirits and enrich their lives. TBY truly is a family: a family that works together to foster an inclusive, connected, innovative, and inspirational family home. Together we have built a vibrant Jewish community and established lasting friendships that support a number of us throughout our lives.

We are delighted to share that we have several Temple Bat Yam families who have already made noncommittal declarations to making a legacy gift for our synagogue. These families are leading the way in ensuring that the TBY community that we know and love will be here for generations to come. As mentioned in earlier newsletter articles, the focus here is on giving, whether the amount of dollars is large or small depending on your circumstances.

The rabbinic sage Hillel is famous for having asked, "If not now, when?" While we know for a fact that he was not speaking about planned giving actions, his message is a strong affirmation for launching them. Every day we wait, we lose opportunities. "When" is now. There is no other time. Check out our website for additional information regarding our Planned Giving program as well as the form for making a noncommittal statement of intent (to be sent to our Office Manager Peggy Tomarelli). Feel free to contact Paul Schwab, Chair of the TBY Planned Giving Committee, with any questions, at either paulmschwab@gmail.com or 703—624-0500.

## Caring Committee

The Caring Committee, continues to be a vital part of community life at Temple Bat Yam. We are a committee of caring volunteers who are compassionate, respectful, and supportive to our temple family.

Here's a brief rundown of some of the things that we do:

- Celebrate new life by having a tree planted in Israel
- Lend a caring ear and a shoulder to lean on
- Run errands
- Drive people to and from local medical appointment

- Donate and deliver meals when needed
- Visit the sick at home and in the hospital

And the list goes on. This amazing group of volunteers continues to evolve and change as situations present themselves.

We need your help! You are our eyes and ears in this congregation. Please contact us or Rabbi Rutberg if you know of a need within our temple community.

## **TBY Participates in the Amazon Smile Program**

**You, your family members, your friends, your neighbors, and your colleagues can help support Temple Bat Yam through our exciting partnership with the Amazon Smile Program.**

### **How Can I Join?**

When visiting AmazonSmile (Google the name and then select the Get Started icon under AmazonSmile), customers are prompted to select a charitable organization. Temple Bat Yam in Berlin, Maryland is fully registered. Just write in our Temple as the selected charitable organization and complete the registration process. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

### **How Does the Temple receive the donations?**

Each quarter, the AmazonSmile Foundation makes donations to eligible charitable organizations by electronic funds transfer. Donations will be transferred approximately 45 days after the end of each calendar quarter. To Account for Product returns, a portion of the quarterly donations will be withheld until the next donation cycle, subject to any restrictions due to returns from prior quarters.

A number of our congregants have joined the program since our first announcement.

We hope you will participate in this partnership our Temple has with AmazonSmile. Thanks in advance for your support of Temple Bat Yam. If you have any questions, please contact the Temple office at 410-641-4311.

Sincerely,

TBY Board of Directors

**Did you know that Temple Bat Yam has a unique AmazonSmile link that makes it easier for people to find and support our organization?**

### **What is Temple Bat Yam's unique link?**

<http://smile.amazon.com/ch/52-1651703>

### **What does my unique link do?**

When customers click on TBY's unique link, they skip the process to search for a charity to support among over 1 million eligible charities. Instead, they're taken to [smile.amazon.com](http://smile.amazon.com) and are automatically asked if they want to support Temple Bat Yam.

### **Can I just tell supporters to search for Temple Bat Yam at smile.amazon.com?**

Yes. However, that makes it harder for your supporters to find and select TBY. There are over 1 million eligible charities, and customers may end up picking a different organization during the selection process. Sharing our charity link increases the likelihood that customers will select TBY before they start shopping.

### **Do supporters have to click on Temple Bat Yam's AmazonSmile link every time they shop?**

No. Once customers select your organization, TBY will receive 0.5% of the price of all their eligible [smile.amazon.com](http://smile.amazon.com) purchases, regardless of whether they use TBY's unique AmazonSmile link to return to the site. However, we recommend that supporters bookmark and use your link so they don't accidentally shop at [www.amazon.com](http://www.amazon.com) instead of [smile.amazon.com](http://smile.amazon.com). Only purchases made at [smile.amazon.com](http://smile.amazon.com) are eligible for donations.

### **What do customers that have already selected a charity see when they click on TBY's unique link?**

If someone is already supporting TBY and they click on our unique link, they will simply be taken to [smile.amazon.com](http://smile.amazon.com) so they can start shopping. They do not have to re-select your charity. If someone supporting a different charity clicks on your charity link, they are asked if they'd like to switch to support TBY.
