

From the Rabbi's Desk

By Rabbi Arthur Rutberg

Although H.G. Wells and others fantasized about time travel, Einstein with his theory of the space-time continuum and the constancy of the speed of light showed us that it was theoretically possible. We used to view time as an unalterable constant but Einstein taught us that time is truly relative.

Within human existence, outside of the confines of science, we experience relative time differences personally e.g. when we are young time appears to go slowly yet as we age the days, months and years seem to go by rapidly, and culturally, there is Jewish time. Jewish

time is usually understood as the proclivity to be imprecise in time. Many cultures, especially those from warmer locations, share the same tendency. For this article, I would like to focus on a more historical and geographic understanding of Jewish time.

If I went into complete historical detail, it would take up far more space than our TBY newsletter would allow. Suffice it to say, Jewish time changed in the days of the Second Temple (520BCE-70CE). The declaration of the start of a new month happened at the Sanhedrin in Jerusalem and then messengers went out to the disparate Jewish communities not only in the land of Israel proper but also to the Jewish communities on the periphery and in the Diaspora in Syria and even in Mesopotamia (Iraq).

As a result, the transmission of this timely information

was not very timely. Since it would often take the messengers at least a day to reach and inform all the far flung communities, a tradition developed among the communities outside of Israel to add an extra day to their holiday observances so that if they were off by a day in their calculations they would be pretty well assured that their observance would include the actual days of the holiday.

In rabbinic Judaism, Jewish law is malleable and can fit and adapt to the realities of contemporary Jewish life. Today, we have very precise time-telling tools. We no longer need to observe eight days of Passover for the Jews who live outside of Israel. The Torah declares it to be a 7-day holiday and every Jewish person in Israel from secular to ultra-Orthodox celebrates it and eats matzah for 7 days. There is no longer any justifiable rationale to celebrate Passover for 8 days!

This is why we will commemorate Yizkor at 7PM on Friday April 22, the seventh and final day of Passover, and then celebrate Shabbat at 7:30PM ending with our Oneg without the Passover restrictions limiting our consumption of bread & cake.

It is way past time for us to revise that law (along with many others) and stop the practice of adding a day to our Torah-based holidays. It does not fit with our time and our technology. It is time for us to reset our Jewish clocks and to synchronize our Jewish watches to the (is)real Jewish time.

L'shalom,

Rabbi Arthur Rutberg

Temple Bat Yam's Library Committee: It's Even More Than Bagels and Books

Did you know that we have over 1,000 books in our library? Our diverse collection includes fiction, biography, observance and practice, holidays, history, Israel and the Holocaust. In addition, we have a Children's Section devoted to many of the same topics but age appropriate. Our library is a peaceful place where you can enjoy reading inspirational posters and appreciate a variety of art such as pottery, stained glass and wood carvings. Sadly, religious institution surveys reveal that over 20% of their congregants did not even know that there was a library in their building. Let's not be part of that statistic!

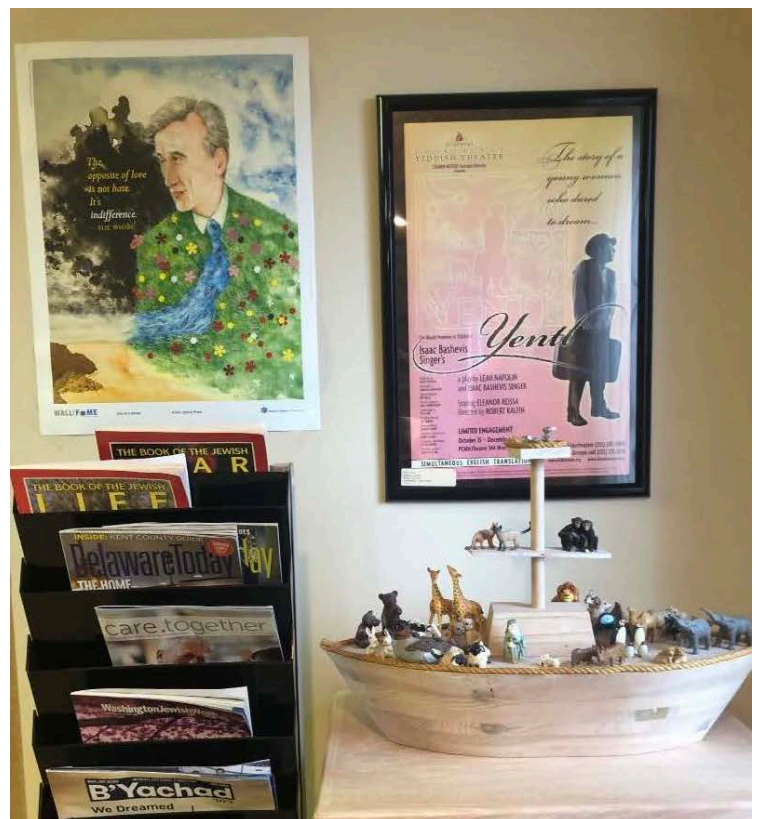

Cataloguing Subcommittee – When new books arrive, we need to add pockets and cards to the back of the book for checkout purposes, and indicators taped on the outside of the book to indicate where it should be shelved.

Shelving Subcommittee – When books are returned or new books come in, we need to get them on the shelves.

We'd like to tell you about the subcommittees of the Temple Bat Yam Library Committee (TBYLC). To be a member of the TBYLC you only need to participate in one subcommittee because we understand how precious your time is.

Curating Subcommittee – Periodically, the books need to be culled to make space for new books. For example, what should we do with doubles?

Technology Subcommittee – We would like to maintain a log of books that are in the library. After books are catalogued, the authors/titles should be typed into our database by category.

Now that you know more about the Temple Bat Yam Library and Committee,

Come in and take a look.
If you like what you see,
Check out a book!

(And email us to join a subcommittee of your interest)

Bagels and Books

Seventeen enthusiastic readers gathered on April 3 (postponed from January due to Covid) to enjoy eating bialys and discuss the book Countdown 1945: The Extraordinary Story of the Atomic Bomb and the 116 Days That Changed the World by Chris Wallace and Mitch Weiss. Victor Cohen, who served as the discussion leader, began the session by asking the question, "What is the significance of 1945 and 116 days?"

In addition to talking about the factual development of the atomic bomb, there was also a human connection as we learned about the people who were directly involved in its production and who dropped it on Hiroshima and Nagasaki. The postscript of the book contained brief interviews with several of these key people many years after the war. They were asked how their participation affected their lives and if they had any

Book Discussion Leader, Victor Cohen

regrets. The meeting concluded by drawing comparisons with the present day war in Ukraine.

To end our year, we are pleased to announce that Joan and Sylvan Sobel will be the discussion leaders of the book Jewish Pirates of the Caribbean: How a Generation of Swashbuckling Jews Carved Out an Empire in the New World in Their Quest for Treasure, Religious Freedom – and Revenge by Edward Kritzer. We will meet in the Social Hall on June 12 at noon.

Bagels and Books is a partnership between the Library Committee and the Men's Club. If you would be interested in leading a book discussion next year please contact Judy Johnstone (Johnston@msmary.edu) or Steve Winkler (stevenwinkler0223@gmail.com).

Caring Committee

Stephanie from the Caring Committee and Doreen from Sisterhood will be discussing sending cards so they are not duplicated. The Caring Committee usually makes phone calls to Temple members who are not able to get out and about. If a person is a member of both organizations then cards are appropriate from both.

Beth Woodell has found someone to help her with the letters to the Gold Star families. Beth is covering the extra costs of mailings to the Gold Star families. Any donations can be sent to the Temple office and would be much appreciated!

Calls are still being made to members who need to hear a friendly voice! If you know anyone who would like to be on our list, then please let me know! Thank you!

Our next meeting for the Caring Committee will be June 9, both in person and on Zoom!

Sisterhood Report

Spring has arrived and with it comes the hope that cancelled programs will be revived. Please send your ideas for programs for the summer and fall.

My term as President is up as of June 30 but I will continue to be involved on the Board. Sisterhood is planning a beautiful installation luncheon for the new Board and Rabbi Rutberg will be installing the new Board members. I hope to see many of our members

participating.

It has been an honor to serve Sisterhood, and I look forward to continuing to do so.

Yours truly,
Anita Winkler, President

Planned Giving Report

Our website provides detailed information regarding our Planned Giving Program, which was initiated in May of 2020. In the past, TBY has been fortunate in receiving bequests made by Hal Glick, Leslie Segall, the Nestler family, and the Rabinowitz family. We have already noted in past newsletters that Stu and Susanna Eisenman, Paul and Emily Schwab, and Stu and Pamela Smolins have become Legacy Society members given their stated (non-binding) commitment to provide a planned gift to our Temple. In the first quarter of 2022, meanwhile, Lew Bush has also joined the Society given his gracious non-binding commitment. Our website, in addition to detailing information about this initiative, also provides the form for use in completing a statement of intention for Temple members.

Our Planned Giving Committee invites congregants to consider expressing a (non-binding) commitment and providing essential support for TBY by including our Temple in one's estate plan. We ask that you use the following name and information when referring to TBY in documents: "Temple Bat Yam located in Berlin, Maryland (Tax ID # 53-1651703), or its successors."

We do want to stress that our Temple is grateful for all estate gifts regardless of the size. If you designate your gift for a specific program at TBY, please contact the Temple President to ensure that we can use your gift as you wish. Our objective continues to be ensuring the long-term viability of Temple Bat Yam. For further information regarding this initiative and the Heritage Society, please contact Paul Schwab (paulmschwab@gmail.com). We remind all TBY members, furthermore, to consult one's professional advisor to determine the best way to include our Temple in one's estate plan.

Thank You TBY - From the Family of Stan Kahn

Thank you to TBY from the family of Stan Kahn:

When Stan Kahn was diagnosed with cancer we shared this information with our congregation. Almost immediately he began receiving phone calls, cards and visits from our membership, including the Sunday school and The Caring Committee. For the following seven years, we knew that whatever we needed, all we had to do was ask. Near the end, the Caring Committee delivered an abundance of incredible home prepared meals, fresh vegetables, fruits and flowers. After he died the beautiful messages and generous donations continued.

Thank you Temple Bat Yam. We are very grateful.

Veronica, Paul and Felecia Kahn

Unto every person there is a name.

Never Forget.

TBY Participates in the Amazon Smile Program

You, your family members, your friends, your neighbors, and your colleagues can help support Temple Bat Yam through our exciting partnership with the Amazon Smile Program.

How Can I Join?

When visiting AmazonSmile (Google the name and then select the Get Started icon under AmazonSmile), customers are prompted to select a charitable organization. Temple Bat Yam in Berlin, Maryland is fully registered. Just write in our Temple as the selected charitable organization and complete the registration process. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

How Does the Temple receive the donations?

Each quarter, the AmazonSmile Foundation makes donations to eligible charitable organizations by electronic funds transfer. Donations will be transferred approximately 45 days after the end of each calendar quarter. To Account for Product returns, a portion of the quarterly donations will be withheld until the next donation cycle, subject to any restrictions due to returns from prior quarters.

A number of our congregants have joined the program since our first announcement. Since the program began, TBY has earned over \$400.00.

We hope you will participate in this partnership our Temple has with AmazonSmile. Thanks in advance for your support of Temple Bat Yam. If you have any questions, please contact the Temple office at 410-641-4311.

Sincerely,

TBY Board of Directors

Did you know that Temple Bat Yam has a unique AmazonSmile link that makes it easier for people to find and support our organization?

What is Temple Bat Yam's unique link?

<http://smile.amazon.com/ch/52-1651703>

What does my unique link do?

When customers click on TBY's unique link, they skip the process to search for a charity to support among over 1 million eligible charities. Instead, they're taken to smile.amazon.com and are automatically asked if they want to support Temple Bat Yam.

Can I just tell supporters to search for Temple Bat Yam at smile.amazon.com?

Yes. However, that makes it harder for your supporters to find and select TBY. There are over 1 million eligible charities, and customers may end up picking a different organization during the selection process. Sharing our charity link increases the likelihood that customers will select TBY before they start shopping.

Do supporters have to click on Temple Bat Yam's AmazonSmile link every time they shop?

No. Once customers select your organization, TBY will receive 0.5% of the price of all their eligible smile.amazon.com purchases, regardless of whether they use TBY's unique AmazonSmile link to return to the site. However, we recommend that supporters bookmark and use your link so they don't accidentally shop at www.amazon.com instead of smile.amazon.com. Only purchases made at smile.amazon.com are eligible for donations.

What do customers that have already selected a charity see when they click on TBY's unique link?

If someone is already supporting TBY and they click on our unique link, they will simply be taken to smile.amazon.com so they can start shopping. They do not have to re-select your charity. If someone supporting a different charity clicks on your charity link, they are asked if they'd like to switch to support TBY.
